

TAPS AND DIES (Thread Chasers)

FOR TUBING AND LINE PIPE (3/4" TAPER PER FOOT)

FOR FIELD CLEANUP OF SMASHED THREADS AND REMOVAL OF DIRT FROM TUBING OR COLLAR. ALTHOUGH HARDENED, THIS TAP & DIE IS NOT FOR CUTTING NEW THREADS. THE TAP, BEING RELIEVED AT EACH LAND, WILL USUALLY REMOVE GYP FROM THE CENTER OF COLLAR — BUT IS NOT GUARANTEED TO DO SO.

PLAIN NON-UPSET TUBING
